Menu descriptors do not list all ingredients. Substitutions are allowed on menu items; however, items cannot be discounted, rather one item removed from the meal and a replacement added (e.g., 100g beef boerewors could be replaced with a pork cheese griller) and these changes will reflect on your bill. If you choose not to order one of our existing menu items, we encourage you to 'build' a meal of your choice, by starting with a basic meal and adding extra items to it. If you require any allergen information prior to ordering, please ask a member of our team to assist. We use a lot of different ingredients and shared equipment in our kitchens, as well as products that have been produced by suppliers. For this reason, we cannot guarantee that our food is completely free of allergens or traces of allergens. The most common allergens comprise milk, eggs, fish, tree nuts, peanuts, wheat and soy. Please scan the 'Allergen info & more' QR code on the front of the menu or go to [www.wimpy.co.za](http://www.wimpy.co.za) for more detailed information regarding our allergens. Paper straws served with milkshakes and frozen lemonades only. Paper straws available on request. Thank you for your understanding and enjoy your meal.
