## NEDBANK CAPE WINEMAKER'S GUILD (CWG)

The Guild was established in 1982 with the main aim being to innovate, benchmark and share knowledge in winemaking excellence.

CWG today is the most prestigious and successful wine auction. The wines are made by a select group of the top 49 winemakers in South Africa, a by-nomination and invite-only guild.

The limited edition bottles are made exclusively for the specific year's auction, with production rarely exceeding 900 bottles. Most of the wines represent some of the finest examples of their kind in the world, garnering exceptionally high scores every year when reviewed by leading sommeliers and international wine publications.

## NEDERBURG AUCTION

Nederburg Auction was founded in 1975, inspired by two leading European wine auctions, namely Kloster Eberbach in Germany and Hospices de Beaune in France, the aim of the auction was to launch South Africa's first Noble Late Harvest, namely Edelkeur.

Today it is recognized as one of the world's five major wine auctions, representing some of the best matured wines available in the Cape, direct from the wineries' library collection following a stringent selection process by a panel predominantly composed of Masters of Wine (MW's).

Under each Auction Wine there will be a rating from our Group Sommelier Miguel Chan (MC), to guide you in your choices, enjoy.
