# THE GAME

**Blackjack Elite** is a new and exciting **Jackpot bet** available exclusively in our Salon Privés and selected higher limit tables within the casinos.

## HOW TO PLAY

**Black Elite** wagers must be placed on the betting area in front of the bet box, indicated by a flashing pad, before the initial deal commences.

Before the hand is dealt, you have the option of placing a **Blackjack Elite** bet in addition to your Blackjack bet.

To play simply place a bet on the jackpot sensor pad corresponding to your Blackjack bet.

You must have control of the main betting area to place a **Blackjack Elite** bet.

## PAYOUTS

The Blackjack Elite bet gives you the opportunity of winning one of five different jackpots / pay-outs:

**Same Suit Blackjack – both Player and Dealer** - The top progressive is won when both the Player and Dealer are dealt a Blackjack of the same suit.

**Perfect Blackjack** wins the second progressive Jackpot if the player only is dealt a Blackjack consisting of an Ace and Jack of Clubs.

**Any Blackjack combination** - both Player and Dealer - If both are dealt a Blackjack (excluding the suited Blackjack pay out) in their first two cards they will win the fixed pay out as displayed on the Progressive display.

**Any Suit Blackjack – Player only**, if the player is dealt any same suit Blackjack (excluding the Perfect Blackjack) they will win the fixed pay out as displayed on the progressive display.

**The Elite Mystery Jackpot** is randomly triggered to any player who has placed a valid Blackjack bet and a **Blackjack Elite** progressive side bet. The Blackjack Elite Mystery Jackpot pays out between specific amounts as per the payable.

**Floor wide Mystery** is linked with other Progressive Tables within the area. This pays out between specific amounts as per the payable. The initial wager is not returned when winning payouts are made. Your wager loses if any other combination is dealt.
