## JOBURG GETS A BRAND NEW CYCLING RACE!

---

- . **Montecasino is proud to announce the launch of the Montecasino Classico, which will take place on 13 February 2022.**
- . Entries are now open for the Montecasino Classico and the event features significant buy-in from the Joburg Metro as well as Mogale City which will enable a safe cycling environment on race day.
- . The venue for the event is the impressive Montecasino Complex and the route offers distances over 90km and 50km.
- . The venue is nicely accessible for riders from both Joburg and Pretoria. It presents ample parking as well as post-race entertainment and dining options which all add up to delightful day out for cyclists and their families.

## THE ROUTE

---

- . Cyclists who are familiar with the Cradle of Humankind, will recognise sections of the route, but it notably excludes the Hillsnacks and Sterkfontein climbs. As a result, it brings down the total ascent quite significantly compared to other events on the West Rand.
- . From Montecasino the 90km route goes out on Witkopp Road, past Northgate and turns right onto Beyers Naude Drive. The next left turn is before the N14 into Muldersdrift. The route runs through Muldersdrift and turns right at the 4-way stop and right again at the T-junction towards Kloofzicht Lodge.
- . At the circle it turns left, and left again at the Rhino and Lion Park circle. At the Kromdraai Cash store it continues straight towards Hendrik Potgieter and turns right. Then it's a right turn at the Engen Garage T-junction and straight on to the next right turn which brings cyclists past the Sterkfontein Caves.
- . Back at the Kromdraai Cash store T-junction the route turns left, and left again at the circle past the Rhino and Lion Park. At the traffic circle on the other side of the Cradle Restaurant, riders turn right and climb past Valverde before turning left onto the Elandsdrift Road.
- . Then it's a right turn onto Malibongwe Drive to join up with Witkopp Road. The route turns left onto Witkopp Road and runs all the way back to Montecasino on double lanes. At Montecasino riders turn right into Montecasino Boulevard into the complex to finish on the outdoor events arena.
- . The 50km route continues on Beyers Naude past the Muldersdrift left turn to meet the 90km at the Elandsdrift turn.

## THE PERFECT VENUE

---

- . The event couldn't have asked for a better event venue! Montecasino presents ample parking, ablutions and restaurants to accommodate a mass participation cycling event.
- . Montecasino also boasts a wide array of activities which will keep families entertained throughout the day.
